Learning to read has never been so much fun!

By turning lessons into phonics games, children learn their phonics without even realising. Making learning to read fun with phonics games!

At Read with Phonics every student starts on 0 and gains points for every correct answer. Points add up to increase their level which is always shown visually to them within the games. This creates a desire to succeed instead of a fear of failure, which is hugely important when discovering something new.

"I would say this is one of the best phonics games apps I have come across."

"If you have a child who is learning to read, I would definitely recommend checking out the Read with Phonics Games and Phonics App!"

"Make phonics fun through playing simple, clear phonics games with letter sounds!"

"Phonics games that have been designed with children in mind every step of the way."
